AT THE CITY POINT CLUB

Launching The CityPoint Club Restaurant Event Space

The CityPoint Club Restaurant is a brand new event space located within one of the most luxurious spa retreats in The City of London.

We are offering a fantastic 50% introductory discount on venue hire for all bookings confirmed by the end of February 2011

The stylish and contemporary health spa venue, situated in the basement of the infamous CityPoint building in Moorgate, has been styled to emulate the tranquility of the spa allowing guests to enjoy themselves at their own leisure.

The CityPoint Club Restaurant can accommodate up to 100 guests for a reception and up to 50 for a seated dinner and is the perfect venue for those who fancy something different from the norm.

Cooks & Partners are delighted to offer this fantastic new space to their clients, so get in touch with us to arrange a showround and we would love to help you create the perfect event with our inspired catering and event design.

We have created our sophisticated and imaginative menus using fresh, seasonal and locally sourced produce. Ideally suited to the CityPoint Club, we have put together some fantastic packages to suit all occasions, all of which can be tailored to suit individual events.
